Objective

To obtain a challenging position as a Computer Science Engineer where I can apply my programming, problem-solving, and analytical skills to develop innovative software solutions. Eager to contribute to a dynamic team, enhance my technical knowledge, and grow in a professional environment that encourages continuous learning and innovation.

Experience

- **SkillCraft Technology**   1 June 2025 - 30 June 2025
  Web Development Intern
  I have work as a intern in Skillcraft Technology in which I have learn Assisted in designing and developing responsive web pages using HTML, CSS, and JavaScript.Collaborated with the team to improve UI/UX and fix frontend bugs.Gained hands-on experience with version control (Git) and browser debugging.Contributed to real-time project deployment and testing.

Education

- **Holy Family School**   2021
  Secondary board
  91.42

- **Ananya Vidyalaya**   2023
  Higher Secondary Board
  55.52

- **Silver Oak university**   Pursuing
  B.Tech(computer science & Engineering)
  - -

Skills

- Interpersonal communication skill
- Time management
- Problem Solving
- Decision Making
- Team Work

Projects

- **Web App Application**
  🚀 Project Highlight – From Web App to Mobile App!
  Developed responsive and interactive web applications using HTML, CSS, and JavaScript.Learned and applied the process of converting web applications into Android apps using TinyHost and Web to App platforms.Gained hands-on experience in frontend development, UI/UX design principles, and deployment of web apps.Improved skills in problem-solving, debugging, and adapting web content for mobile platforms.
- **Biometric Attendance System**
  🚀 Project Discription:
  I have developed the biometric Attendance System in which I have use Python, MySQL, Fingerprint Scanner Module in which I have Developed a secure and automated biometric attendance system using fingerprint recognition. Integrated hardware with software for real-time attendance tracking and data storage in a database. The system reduced manual errors and improved efficiency in attendance management.

Hobbies

- Reading
- Playing Arm wrestling
- Playing Cricket

Languages

- English
- Hindi
- Gujarati

Certificates

- Certificate of Participation in Tech Verse
- Certificate of AWS Academy Graduate
- Certificate of IBM Chatboat
- Certificate of participation in kalpvruksh

Technical Skills

- Python
- Java
- HTML(Hyper Text Markup Language)
- CSS(Cascading Stylesheet)
- Java Script
- C Language
